

# MOORING SHARE PROGRAM 2011

This program is open to all DEYC Members even if you do not have a mooring to share.

**\*\*Please return this form by April 1st in order for the list to be updated and distributed in May.**

During the past few years, many members have enjoyed the use of other members' mooring(s) when available. This program allows us to boat in different ports that we might not have sailed to otherwise. It also continues with our theme: DEYC is a boating and a fun club.

**Even though you may be currently enrolled in the program, for liability reasons, everyone who wants to participate must complete and return this form each year (a) if you have mooring(s) to share or (b) if you have no moorings to share, but wish to use DEYC registered moorings.**

1. I want to register my mooring(s) and/or use the DEYC registered moorings. If so, fill out #2

2.

**RULES:** Please make every effort to contact the mooring owners before using their moorings. It is important to fly your DEYC burgee when mooring. This is a first come first served program. Remember, this is a "volunteer" program; should an owner return, be prepared to move. Although all mooring owners have done their best to ascertain that these moorings are safe, it is understood by all members using another club member's mooring that the owner has provided the mooring in good faith and is not responsible in any way for the vessel using his/her mooring. Use is "AT YOUR OWN RISK."

All members who wish to participate in the Mooring Share Program **MUST** sign and return this form to: DEYC, P.O. Box 845, Boothbay Harbor, ME 04538.

Your signature each year constitutes your willingness to participate and abide by the rules. **Only those members who sign and return this form will receive the Mooring Share Listing in May.**
