We will have two nights in Seal Bay and this first night will be a French Theme Progressive Dinner. Peter & Tracy are working on finding berets for the group and want to be sure this is fun and easy. You do not have to make a fancy french meal, but could maybe add a baguette or add Bonne Maman Jam to your table. On the registration form you will have three options for participating: 1) Host cocktails/apps, 2) Host Dinner (the dinner host boat will receive two bottles of red and white from DEYC Bar), and 3) not able to host, but want to attend. Dessert will be an ice cream social hosted by our Port Hosts astern CaraMia! We will group three to four boats together for the progressive dinner by random drawing and let you know in advance of your group and confirm the size of your party (most will be 6-8 people).

11 July: Seal Bay, Vinalhaven

Hackett, Jay + Helene Rush
m/v Can't Hackett

Anchor/Rafting only

Our second night in Seal Bay will be our theme night – Christmas in July! We are encouraging all Captains and Crew to decorate your vessel for Christmas. Add to the fun and dress up for the occasion (Can't Hackett will have a backdrop for photos). At five o'clock there will be a dinghy parade around the anchorage to view the fleet and vote on your favorite. Awards will be based on originality, colorfulness, and costumes! Remember Christmas Lights too as we would love to get a nighttime photo of our fleet's feast of colors! Please bring an appetizer to share at a tie-up behind Can't Hackett directly following the dinghy viewing parade. BYOB. Captain's Choice Dinner aboard your boat.

The following morning Chet and Carol Clarridge will be hosting their famous Pancake Breakfast. Dock space is available at Eaton's and can be reserved in advance (they will allow rafting on the face dock) and at the Town Dock (no reservations). There are also moorings, but be aware the current can be strong in the harbor. Castine Yacht Club has showers that we will have access to during our visit.

Moorings + Anchor, Rafting

Pot Luck Assignments based on Last Names: A-G Appetizer / H-O Entree or Salad / P-Z Dessert

The Arkley's will be leading us in a Full Moon Trivia contest during the Pot Luck event.

We are reserving all of the moorings owned by the boat yard and they will allow rafting so please note on your registration if you want a mooring (\$25 per boat). There are only six moorings (which means moorings can only accommodate 12-18 boats depending on winds) so PC Arkley will be assigning upon arrival and we will accommodate as many as possible. If you are comfortable and draw less than 5 feet, please choose anchoring as there is lots of anchoring space available in the harbor.
